

Reference

Used food processing machines are frequently asked worldwide and are mostly sold within a very short time. We beg your pardon, that we therefore can not send price lists. Written inquiries always keep a delay of time for reaction and working on offers. Much more simple and quick you can get information by phone.

We await your call +49 261 88 93 10.

DL Leasing 1988 LTD. & Co.KG, Marketing and utilization service

Marketing and utilization service letting of capital goods within the food range concerns itself with leasing. Among our customers are supermarkets, butcher's shops, baker's shops, large-scale

catering establishments, catering trade, lunch etc. rank.

A relevant part of this division is the utilization of used food machines as well as equipments. This range extends from the slicing-machines over complete butcher's shop facilities up to paper balling press.

Worldwide ever more using machines are searched and used. Particularly German machines, which were often only few years, sometimes months in use, are extremely desired.

Our sales run over two customer circles. The first customer circle consists of a world-wide trader net, which take over our machines and plants in such a way at favourable prices like we them gotten by our customers back. The second customer circle consists of new users (final customers), whom we supply our machines and plants functionally, after these were examined by a specialized enterprise. Please decide you, to which customer circle you belong.

In principle our machines as well as furnishings with consideration of their assignment and the wear due to it are examined and fully functional. Of course you can refer the spare parts, service, support also over our specialized trade partner, the (DOMA GmbH, Ernst-Abbe-Str. 12, 56070 Koblenz) in English language too.

If desired for each machine an equipment passport can be provided. The supply exclusively takes place to our General Trading Conditions which we put to you when desired gladly at your disposal.

Your DOMA Leasing-team.
