Disclaimer

Indication to the links (disclaimer)

In a judgment of 12th May 1998 the Landgericht in Hamburg decided that if someone sets up a link on his web site, he is just as responsible for the content of the site(s) referred to in the link as if it were his own web site. The only way to hinder this is to make perfectly clear that one distances oneself from the content of the linked site. As there are links to other web sites in our web site, we wish to make it absolutely clear that we have no influence on the design and content of the linked sites. We distance ourselves from all contents of all linked sites which can be reached from our internet web site "www.dl-leasing.com". We do not make the contents our own. This disclaimer is valid for all links on our web site.
